

How to add Courses Widget to your Homepage in Edivation

THE NEW PD360

Courses Widget

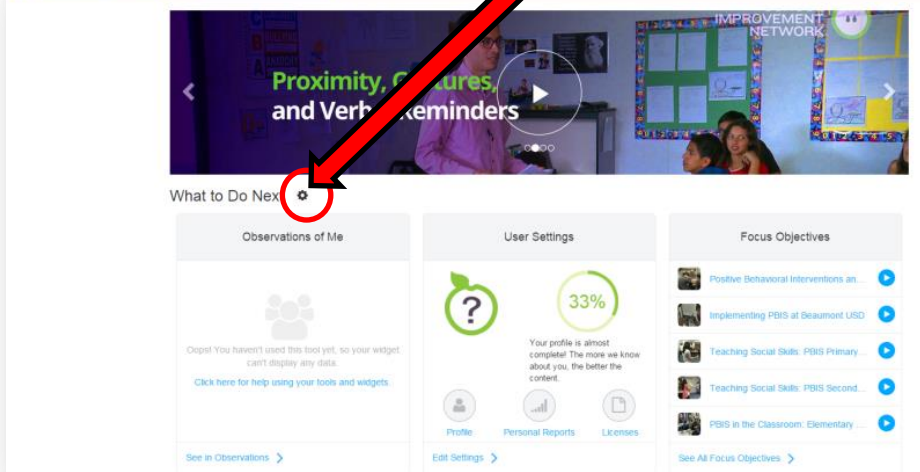

The Courses widget displays a list of up to five of the active online courses you have been assigned or for which you have registered. The widget also displays your progress towards the completion of each course on the list.

To start or resume an online course, click the *name of the course*.

To view a list of all of your active courses, click **See All Courses**.

1

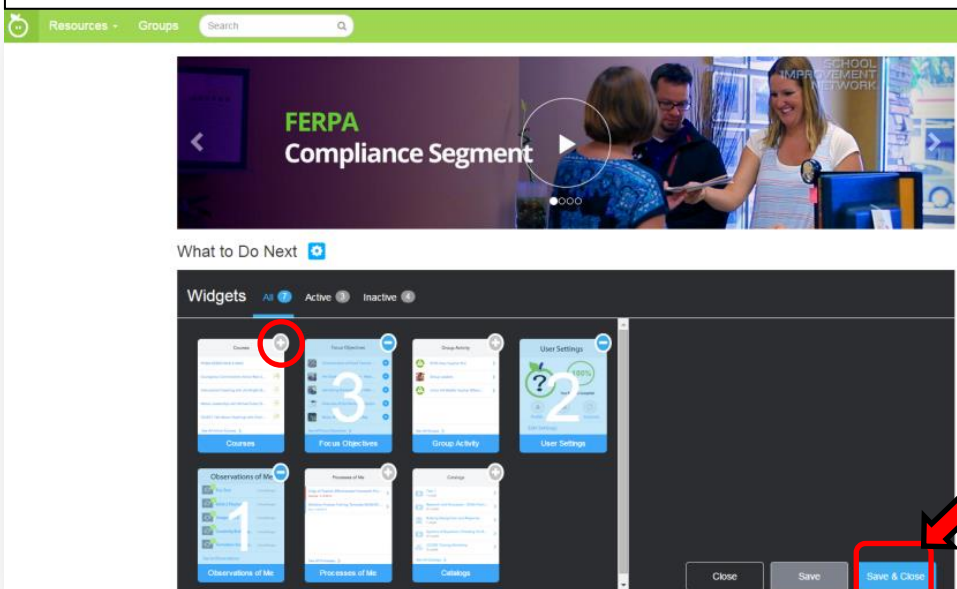

In the Homepage select the **SETTING icon**  located after “What to Do Next”

2

The **Widgets** sliding window will appear. Select the **Course Widget** by clicking on the *plus sign*.

NOTE: you can only have 3 active Widgets on your Homepage so customize as you wish

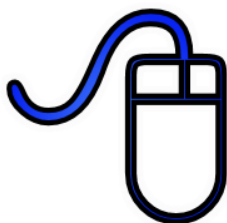

Don't forget to save changes by clicking on “**Save & Close**”

2

You are done customizing your widgets. The Courses Widget will be located on your homepage for easy access to your course. Just click on it to resume course.

The screenshot shows a user dashboard with a green header containing 'Resources - Groups' and a search bar. Below the header is a video player for 'FERPA Compliance Segment'. Underneath is a 'What to Do Next' section with three widgets: 'User Settings' (showing a 33% completion rate), 'Focus Objectives' (listing various educational topics), and 'Courses' (highlighted with a red arrow and containing 'GT Staff Development (6H)').
