

How to access to your course in Edivate

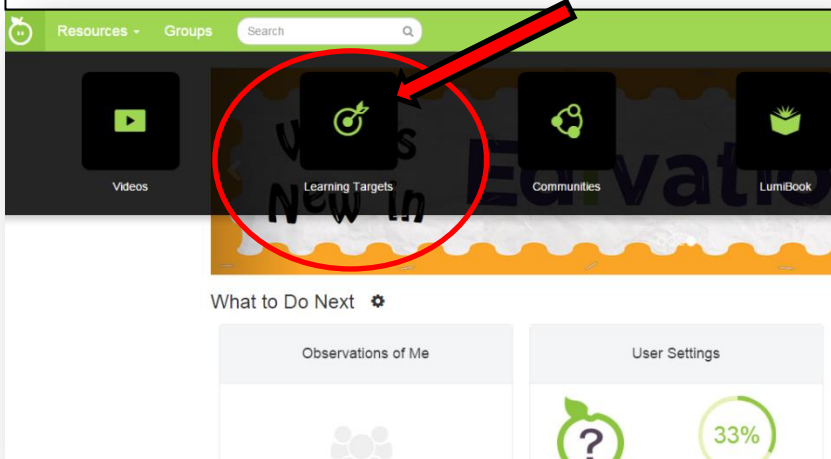

After you log in, select **RESOURCES** which is located on the top left corner

1

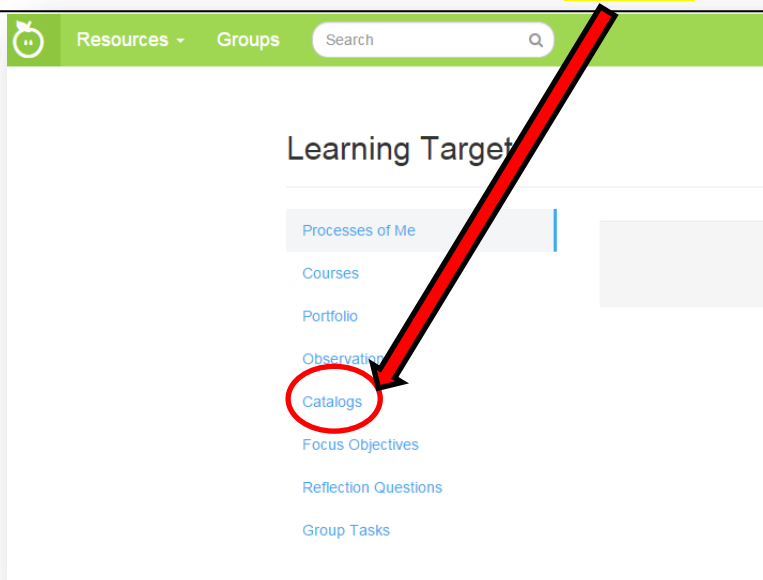

A black sliding window will appear, select **LEARNING TARGETS**

2

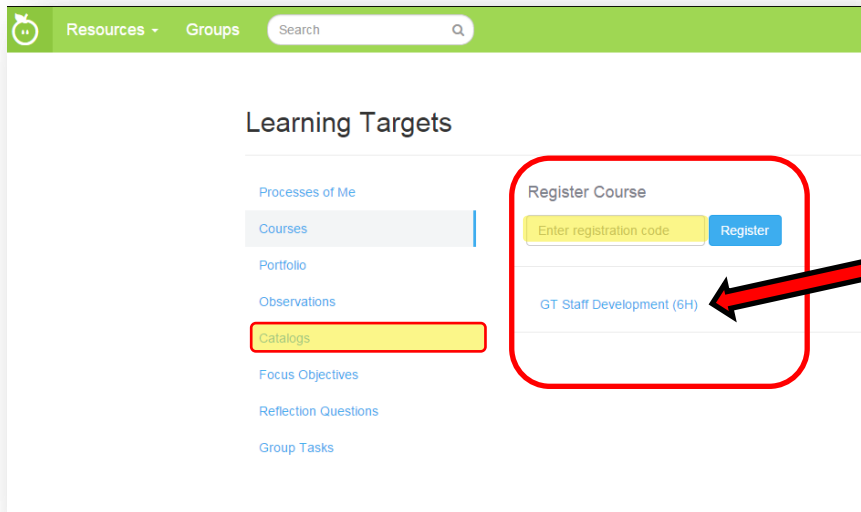

You will see the Learning Targets page, select **CATALOGS** from the given menu list

3

Once you select Courses, you will see the **CATALOGS** list you are registered to. If you are not able to see a course, please contact your Media Specialist.

4

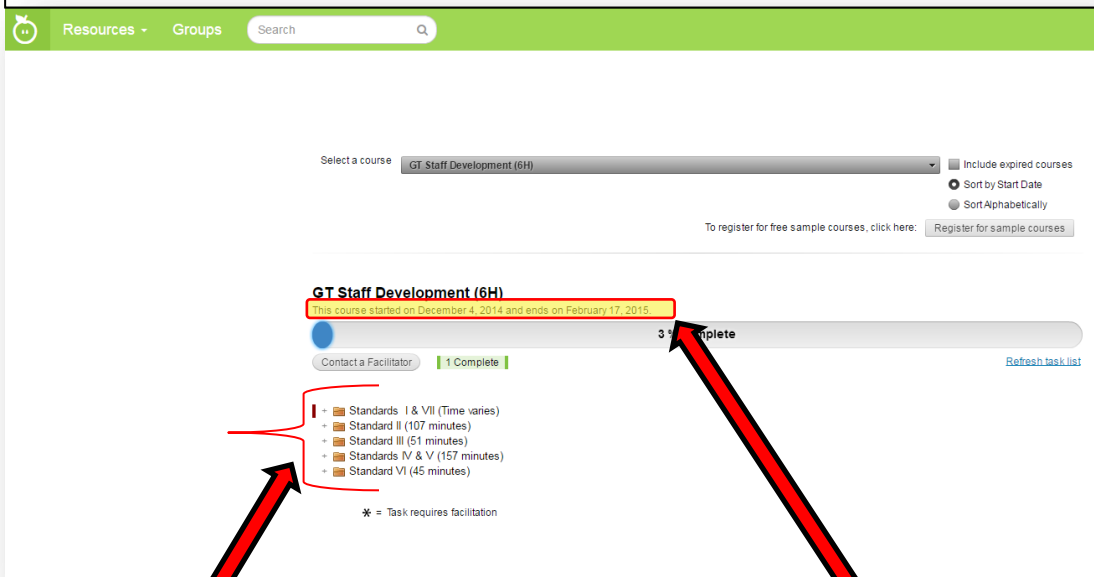

If you see the course in the list, then click on it to access the course.

Once you click on your course or get registered, you will be able to access your course page.

CONGRATULATIONS you can start taking your course NOW!

5

To begin course, double click on first folder and follow order after that. Your course completion status will be reflected on the bar shown above the folders.

Important: Make sure you **complete** your course before the indicated **deadline**.
Semester 1 deadline: 1/14/2016
